

OUR TEAM

Carolina Cely is an Associate at OPG.

Carolina Cely is an Associate at OPG, where she manages client engagements and supports organizational development initiatives. She is a seasoned management professional with 20 years of experience in the economic development sector.

Prior to OPG, Carolina was a portfolio manager and operational director for the Latin America region at TechnoServe - an international, non-profit development organization. While at TechnoServe, she provided program management oversight to a \$15 million project portfolio across 10 countries, gaining extensive experience building organizational capacity, improving operational processes, managing stakeholder relationships, leading change management initiatives, and facilitating knowledge sharing.

Carolina holds a BA in Political Science from Bryn Mawr College. She is an avid animal lover and enjoys traveling and gardening.

WE HELP PEOPLE WORK TOGETHER BETTER.
